Producer's Message

On behalf of the ALP-SEBB Events team, WELCOME to Southeast Black and Blue Weekend 2025. We are excited for what this weekend has in store for each of you as we continue to bring you premium BDSM & Kink education.

As has been the long-standing tradition of SEBB Weekend, we continue to limit attendance in order to provide a more intimate space with more opportunities for 1 on 1 time with presenters and networking/socializing with likeminded kinksters. We take pride in providing a diverse selection of workshops from a just as diverse panel of presenters. With that, we are always open to your feedback on how we can improve, including additional subjects and instructors we should be considering having participate at our future events.

If you can't get enough of our workshops, make sure that you keep an eye out for our regular educational panels, How to Kink, that happen on the 3rd Monday evening of every other month at the Atlanta Eagle.

This time last year we mentioned that we obtained our official 501(c)3 status. *(For those who didn't know, that means your tickets for SEBB Weekend and even all of your Jello Shot purchases at our events are tax deductible.)*

The ALP-SEBB Board of Directors has long known that we cannot produce quality programming in the quantity of events that we have without the support and dedication of an expanded core team along with the countless volunteers that help support our events. Over the last year plus, we have been looking for dedicated members of the community to join our core team.

Nitro, Bull, Jonathan, and I are ever thankful for the staff and family we have gained in that ongoing search. When you get a chance make sure to thank Pup Dodger, Pup Loki, boy samuel, Scott Wolf, and Tracy Gabbert for all of the time and support they put into helping us make events like this happen.

A huge thanks to each and every one of you for your continued support of SEBB Weekend and ALP-SEBB Events at large.

Have a great and kinky weekend!

The Club is an organization of gay or bisexual men who wear leather, subscribe to and promote the leather lifestyle, and engage in BDSM, which includes a variety of erotic practices involving dominance and submission, role-playing, restraint, pain-pleasure and tactile play, and other interpersonal dynamics. We provide an atmosphere of fraternization, mutual emotional support, and friendship, and to create a safe space to learn, to watch, to engage, to ask questions, and mostly to have fun! The Club also provides a means of communication among its members and members of the leather community in general, and we educate about the leather lifestyle.

The Tennessee Gryphons have about 40 Active Members and 20 Associate Members. The club was founded in 1999.

The Tennessee Gryphons yearly run is called DELIVERANCE. Normally held the 2nd week in July at Timberfell Lodge and Campground, in Greeneville, Tennessee. This year marks our 25th Run, and the theme is "Don't Be Afraid."

Our 2025 Run will be held from July 11th through 13th. Applications will be available later this spring at tngryphon.org under Events. Emails can be sent to info@tngryphons.org

Stop the Bleed

Presented by Outlier Solutions Group

Captain Adam

[Rate this Workshop.](#)

Uncontrolled bleeding is the leading cause of preventable death in trauma. No one plans for a traumatic injury to occur. When it does, the individuals in a position to do the most good when a traumatic injury occurs are rarely professional rescuers.

Nationally, the average response time for EMS personnel to an emergency is 7 minutes, while the average human being can suffer life threatening blood loss in a fraction of that time.

Students will learn the basic skills necessary to recognize and control life threatening bleeding using pressure, packing, and tourniquets. We'll also cover and dispel myths around ineffective techniques, and ensure that skills are cemented with a "wet" simulation lab. All students who successfully demonstrate skills mastery will receive an ACS Stop the Bleed® Course Completion certificate.

Due to time and space constraints, this class is **limited to (10) participants** on a first-come, first-served basis.

We will be offering 2 installations of this class to provide an additional opportunity for people to participate.

They/Them/Their

Anna Baxter, LPC is a gender and relationship counselor at Love Positive Counseling in Roswell, GA. They are passionate about providing a safe space for clients to find internal and external peace by living and loving more authentically. Master Archer

Leather, just the sound of the word gives a sense of the sensual power of treated skins. As a teen Archer started working with leather, the smell and feel of it had some primal effect on him. Even then the power images of leather had a part in his sexual fantasies. Leatherwork went by the wayside for awhile but returned in Dallas TX in 1996 when he started his leather business, Fantasies In Leather.

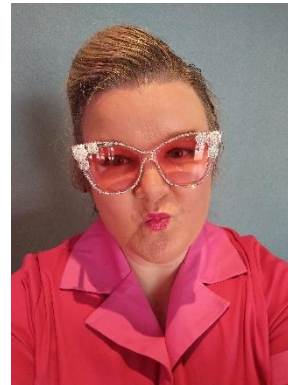

Archer's relationship with his slave Elegant started in September of 1998 and prompted him to get more involved with the leather community. His immediate leather family now also includes Trinity, Renee and Boi Lane. Archer received the 2009 Pantheon of Leather Southeast Regional award. He is an Environmental Health & Safety Professional and incorporates this technical knowledge in many of his presentations. He provides educational experiences to groups large and small on subjects ranging from S&M technique to Using Exemplars For Master/slave Development and classes on the spiritual application of BDSM activities. Archer identifies as an Eclectic Shaman and completed Fakir Musafar's body piercing and branding intensive schools in order to offer these arts with a more spiritual, less clinical focus.

Bamm-Bamm

they/them

Bamm-Bamm is a switchy sexual opportunist who loves bootblackening and erotic energy exchange. They are among the only people to have won two major international leather titles: International Leatherboy 2012 and International Mr. Bootblack 2015. As a fully professed Sister of Perpetual Indulgence, they serve the community as their colorful Sister persona, Panti Heaux. Recently moved to the Capitol Region of New York, they travel worldwide teaching perverts, judging contests, emceeing events, and just generally being a slut. Known to their followers as the "Traveling Cumpuppy", Bamm can often be found documenting their slutty adventures for social media and fan sites. Bamm-Bamm is the head of the House of Velveteen, a caring Daddy to their little, Dougie, guardian to several wayward s-types, and working to be a loving boyfriend to their partner, Ry.

She credits local groups Rope Bite Atlanta and Hitchin Bitches Atlanta for welcoming her and providing educational opportunities along her rope journey. Having enjoyed the education and connection

provided by these groups, she became a board member for RBA in 2019 and Hitchin Bitches in 2023.

In her vanilla life, Bonnie enjoys serving her community through legislative advocacy in behalf of women, children, and vulnerable communities of GA with the Junior Leagues of GA.

Dash

Dash discovered the furry fandom in 2015 after being invited to a convention, and he quickly found a passion for the community. Currently, Dash serves as Furry Weekend Atlanta's (FWA) Community Officer, fostering connections, engagement, inclusion, and belonging, among attendees, partners, and allies.

Ed

Originally, from Pittsburgh, PA, Ed moved to Midtown Atlanta in 2023 with his partner, Anthony. During the day, he has been a trial attorney for 10 years and was also a local elected official. From 2020 to 2021, he was Vice-President of Crafton Borough counsel where he sponsored and passed a non-discrimination ordinance, which protected discrimination against sexual orientation and gender identity.

Ed is passionate about justice, equality under the law, and self-care. These passions led him to the kink community after purchasing his first harness in 2020. It was love at first sight and smell.

He is the current Mr. Atlanta Eagle. He advocates for kink-positivity, sex-positivity, body positivity and destigmatizing mental health and mental health care.

Elegant

Elegant began her leather journey in Dallas, Texas in 1997 and has been an active part of the Atlanta community since moving in 2001. Her experiences have led her to judging opportunities at International Community Bootblack competition, Southwest Bootblack competition, South East Master/slave contest and other leather contests. Elegant had the honor of being selected as Southeast Bootblack 2005 and 1st Runner-Up at International Community Bootblack 2005. She leads workshops on S/M techniques and workshops of the mind and assists Master Archer with spiritual ritual experiences, identifying as a Spiritual Clown and Warrior Goddess. Her dedication to the community and specifically in spreading a positive awareness of D/s~M/s is a never-ending path to understanding her own life.

Emerson

Emerson is an experienced Pony Player with a passion for the artist, discipline, and joy of Pony Play. As a dedicated member of the pet play community, Emerson enjoys exploring the dynamics of equine role-play, from the movement and training to gear and communication. With a focus on self-expression and connection, they aim to educate and inspire others to embrace their inner pony. At this panel, Emerson will share insights into the world of Pony Play, offering guidance for newcomers and experienced players alike.

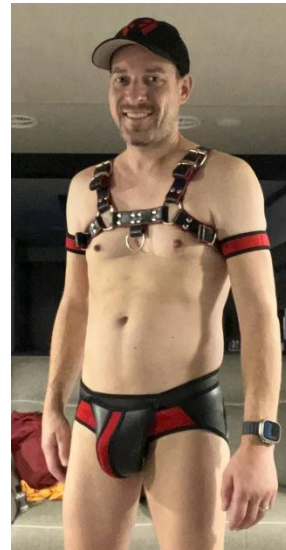

GMan

GMan is a retired co-producer of several events in Atlanta including Atlanta Leather Pride, Southeast Black & Blue, Hotlanta Rubber & Gear Bar Nights at the Atlanta Eagle, and the infamous Fort Troff Maneuvers parties. Today he can often be found as a presenter at events sharing his passion for rubber, its care, and repair. G-Man holds the title of Southeast Rubber 2010 and International Rubber 2011.

Hex

Hex is a local fur who found the furry fandom 5 years ago. His character is a purple and orange fox and he enjoys helping people learn about the furry community. Hex is currently staff with the convention Furry Weekend Atlanta (FWA) and volunteers in the Outreach department where he spreads awareness of the furry community to the general public.

Jason

Jason a.k.a Fistguy83 on social media. Took his first fist at 20 years old. He has actively been into fisting since 2005. He's a versa bottom Fister, with the ability to open holes up quickly. He just started wearing a chastity cage while taking fists or giving fists. He's originally from Michigan, and has lived in Tampa, FL, Houston, TX. He currently resides in Smyrna, GA with his husband. He serves as the president of Peach Pals, a Georgia fisting community. Since taking over as the president of Peach Pals, he has organized multiple events including the most recent "Polar Fist" at Metropolis Complex in Augusta, GA, where over 90 fisters attended. He has taught newbies how to both top and bottom as fisters. You can find him on asspig.com as koolboi83, or check out his linktr.ee/fistguy83

Jason

Jeremiah a.k.a lockedbottom is a relative newcomer to the world of fisting. His primary kink interests are chastity, ass play, and fisting. He's been self-locked in chastity since July of 2024 and has come to appreciate the intersection of the chastity experience and surrendering his hole to the fists of others. His favorite lube is the rather mundane sounding J Jelly. His favorite chastity cage is the Kink3D baby Viper. He lives in Smyrna with his husband of nearly twenty years and he absolutely loves talking about Jurassic Park when not getting his hole worked over. He can be found online at lockedbottom.com

Jared "pup Canyon" Erikson

Jared Erikson is a degreed healthcare professional and a lifelong sex positive kinkster. An Apostle of Lust, Jared is a proud adult film performer (including Ravens Eden awards, 2020), a pup named Canyon, and an all-around sexual exhibitionist, who enjoys sharing his knowledge and his body with others. When he's not naked or working (or working it naked), Jared enjoys weightlifting, movies, reading, world mythology, and motorcycle riding. He lives with his husband in Atlanta, Georgia.

Pup Kit

He/him/hole

Hailing from Michigan, Pup Kit moved to Atlanta in 2015 and shortly after made his way into the Leather/Kink community. Active in the pup (15 years), ABDL (25 years), and Furry (don't ask a lady her age) communities, Pup Kit brings a fun and creative aspect to his scenes. He doesn't identify fully as a Dom, but more as a muse to others for including things into scenes. That little whisper in your ear to go a little

harder or be slightly more sadistic, was probably just Kit.

His experience runs the gamut of the kink world. Always willing to try new things and hyper focusing on what he really enjoys. He loves to share his experiences with others by training fisting tops and bottoms, working on his needle play, and introducing people to the joys of e-stim. Just be mindful of your surrounds when talking to him about kink, he will talk openly about anything.

Smol Dog Leon

Illinois-born and Atlanta-based Leon is a proud associated member of the Chicago Hellfire Club and former Mister Atlanta Eagle 2018. At IML 2019, he took the stage in fursuit head and diaper. He has been an active member of the furry, ABDL, and leather communities for many years and strives towards finding common ground to intermingle people from these different circles. He embraces a kink lifestyle as an exploration of personal freedom and breaking of social constructs. If you catch him padded, feel free to check just how soggy of a doggy he can be.

Lizzy - Ms. Atlanta Eagle 2013

Lizzy has been making the Atlanta Eagle her home bar for the past 2.5 decades. She identifies as bisexual, femme, kitten, masochist, brat, & poly. She also finds talking about herself in 3rd person to be extremely odd. A proud member of the Middle Aged Guard, she's spent most of her adult life volunteering; from going door to door in the 90s for AIDS research, creating the Dirty Boys calendar fundraiser for Lost N Found Youth & raising money for Bikers for Babies/March of Dimes, & Extra Life. She's a cosplay volunteer, visiting children hospitals. Lizzy is bipolar, lives with Lupus/RA & is a disability advocate, especially for access within the Leather & kink communities. Lizzy celebrated her 25th wedding anniversary with her partner & is a proud mother of two (introducing her eldest to the Eagle on his 21st birthday). While not as physically active in the community as much as she would like, there's always the feeling of "coming home" that she treasures.

Mayor

Mr. Southeast Rubber 2013 | Member of Hotlanta Rubber and Gear Group.

Born and raised in Atlanta, GA, Mayor is comfortable when things get a little hot and humid. He is a true experimentalist and when given a choice he will most likely choose "E – all of the above." He enjoys getting his hands into things and will try most any kink twice, especially if there is rubber gear involved.

Mayor is a long-time member of the Hotlanta Rubber and Gear Group. He has served as a judge for several local and regional competitions, including Atlanta Eagle and Florida Rubber contests. He works to serve his community through supporting individuals dealing with substance misuse and behavioral health concerns. He encourages people to seek support and discover, "you are not alone."

Holly Myst is a bootblack, service submissive and bondage enthusiast originally from the great lakes and now local to Atlanta. She is Ms. Wisconsin Leather Pride 2020 and volunteered with groups in Wisconsin including Satyricon, Rope in Waukesha, SWIPE, Milwaukee Area Subs Gathering and the Milwaukee Naughties. She began bootblacking in 2015, and takes every opportunity to learn from, and share skills

with, other bootblacks. Her philosophy is that bootblacking is a way to serve the kink community by preserving the unique leathers of others, making others look and feel sexy in their gear, and sharing knowledge along the way. When not volunteering at various events, both kink and vanilla alike, Holly can be found bootblacking periodically at the Atlanta Eagle.

Bull (he/him) is a switchy sober fucker who thrives on energy exchange, breath play, ass play, and boots – also described as a “barnyard science experiment gone wrong.” He has been involved in the Atlanta leather/fetish scene since 2012, and over the years has also spent time in the Philadelphia and San Francisco communities before returning to Atlanta as his home. In 2013, Bull was a founding member of Team Friendly Atlanta advocating for PrEP access and broadcasting the message that Undetectable = Untransmittable. In San Francisco, Bull was an Events Committee member of the Grassroots Gay Rights Foundation; and now, serves as the Production Director for ALP-SEBB events, where he’s worked to produce events such as Atlanta Leather Pride, Southeast Black and Blue Weekend, Hotlanta Rubber and Gear Nights, Furry Nights @ Atlanta Eagle, Leather and Lace, BDSM101 Monthly Classes, and many others. Feeling just as comfortable in a sling as he does on a stage, has produced a wide range of play parties including Fort Troff Maneuvers and the quarterly Atlanta Dominion party. When he’s not in “human drag,” you can often find Bull in his Bull/Wolf fur-sona, named Bael. Bull is owned by his Sir, his brother, and his cat – Zavala.

Pup Loki

Staff

Loki the fun loving pup hyper as hell until focused on a mission, once he's set on a task the ADHD hyper focus takes over. Been into fetish for more years than he wants to admit (the age does not match the face). Started his adventure in Dallas TX then moved to Atlanta when there became an absence of a Loki in the city. Some of the more niche kinks catch his interests but you'll have to ask him about those. He's been judges pup for the past few Atlanta Leather Pride contests taking care of those that judge. He knows the big wigs of the community and a good bit of their skeletons. But he's a good boy and he's usually willing to meet new people like any pup. When he's not doing SEBB or ALP stuff he's asleep or volunteering at Furry Weekend Atlanta.

boy samuel

Staff

Samuel is a leather boy, a little green to the lifestyle but always eager to learn more. He prioritizes serving others and loves to do as he's told. Need something done? He'll either do it or die trying. He's not usually one to stop so you might have to tie him down if you want to hold his attention. But, it's not a problem since the less he can move the happier he is.

Tracy (she/her) has been an active member of the leather and kink community for many years (but she won't say precisely how many). She has participated in Panther L/L and is currently involved with Women of Drummer and Women in Leather Atlanta (WiLA). Tracy is passionate about promoting and supporting women, especially within the kink and leather communities. She believes there is room for everyone and strives to live her life with kindness and empathy. But don't let that fool you. She is a fierce dominant with an attitude.
